Create An Account In Sendgrid

The image shows the Twilio SendGrid 'Let's Get Started' sign-up page. The page has a light blue background with a yellow paper airplane illustration on the right. The main heading is 'Let's Get Started' with the subtext 'Sign up for free. No credit card required.' Below this is a form with an 'Email Address' field containing 'rvasimakram2001@gmail.com'. A message below the field states: 'This email address is already used as a username. Try a different email address or create a unique username.' There is a checkbox labeled 'Use email address as username' which is checked. Below the email field is a 'Password' field with a strength indicator and a note: 'Must have at least 16 characters.' At the bottom left, there is a reCAPTCHA 'I'm not a robot' checkbox and a reCAPTCHA logo with links for 'Privacy' and 'Terms'. On the right side, there is a 'Try it out!' section with the text 'Send email for free.' and a list of features: 'Automated drip campaigns', 'Password resets', 'Newsletters', 'Receipts', 'Delivery notifications and updates', and 'Promoted emails', each preceded by a green checkmark. A small reCAPTCHA logo is also visible in the bottom right corner.
